Bhupinder Kumar
Company Secretary

Notes :

1. The Explanatory Statement as required under section 102 of the Companies Act, 2013 is annexed hereto. Further, additional information with respect to Item No. 4 is also annexed hereto.
2. **A Member entitled to attend and vote at the Meeting is entitled to appoint another person as a Proxy to attend and vote on a Poll on his/ her behalf. A Proxy need not be a Member of the Company. However, proxies in order to be effective must be received at the Registered**

Office of the Company not less than 48 hours before the Annual General Meeting. A person can act as a proxy on behalf of members holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

3. The Instrument of Proxy in Form MGT 11 (Proxy Form) prescribed under Companies (Management and Administration) Rules, 2014 pursuant to Section 105(6) of the Companies Act, 2013 is given separately in the Annual Report.
4. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
5. The Register of Members and Share Transfer Books of the Company will remain closed from 24.09.2021 to 30.09.2021 (both days inclusive) for the purpose of this Annual General Meeting.
6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. Members are requested to bring the Attendance Slip duly filled in along with their copy of Annual Report to the Meeting.
8. The Members are requested to contact the Company's Registrars and Share Transfer Agents, MAS Services Limited for all their queries, transfer requests, or any other matter relating to their shareholding in the Company as per their following contact details:

Mas Services Limited,
T-34, 2nd Floor, Okhla Industrial Area,
Phase-II, New Delhi – 110020;
Phone: 011-26387281-83;
Fax : 011-26387384; email: info@masserv.com
9. Members are requested to (i) quote their Registered Folio Numbers / DP ID & Client ID Nos. in all correspondences with the Company / with the Registrars and Share Transfer Agents; and (ii) promptly notify any change in their address to the Registrars and Share Transfer Agents, in case they still hold the Equity Shares in physical form.
10. Dematerialization of the Equity Shares of the Company: The Equity Shares of the Company are compulsorily required to be held under DEMAT mode for Trading on the floor of the Stock Exchange(s), where such Equity Shares are listed. These can be held in electronic form with any Depository Participant (DP) with whom the Members have their Depository Account. All the Members, holding Equity Shares of the Company in the physical form, are advised to get the same dematerialized. The Members may contact the Registrars and Share Transfer Agents of the Company at their address mentioned above.
11. Members, who have not registered their e-mail addresses so far, are requested to register their e-mail id for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically, with the Company's Registrars and Share Transfer Agents.
12. Electronic copy of the Annual Report for financial year 2020-21 along with the Notice of the 45th Annual General Meeting of the Company (including Attendance Slip and Proxy Form) is being sent to all the members whose email IDs are registered with the Registrar/Depository Participants(s) with their consent for communication purposes unless any member has requested for a hard copy of the same.
13. For members who have not registered their email address, physical copies of the Annual Report for the financial year 2020-21 along with Notice of the 45th Annual General Meeting of the Company *inter alia* indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent by other permissible modes.
14. Members may also note that the Notice of the 45th Annual General Meeting and the Annual Report for 2020-21 will also be available on the Company's website: www.istindia.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during 11:00 A.M.to 5:00 P.M on any working day, excluding Saturday, Sunday and Public Holiday. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same. For any communication, the shareholders may also send requests to the Company's investor email id: istgroup.ho@gmail.com.

VOTING THROUGH ELECTRONIC MEANS

15. Voting through electronic means: Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies Management and Administration) Rules, 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 and the Regulation 44 of SEBI (LODR) Regulations, 2015, the Company is providing remote e-voting facility to enable the members to cast their votes electronically on all the resolutions set forth in the Notice convening the 45th Annual General Meeting. The Company has engaged the services of National Securities Depository Limited (NSDL) to provide the remote e-voting facilities. The Instructions for remote e-voting are provided in the Attendance Slip, which is sent along with the Annual Report. Members are advised to read the instructions carefully before exercising their vote.

**STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (THE ACT),
THE FOLLOWING EXPLANATORY STATEMENT SETS OUT ALL MATERIAL FACTS
RELATING TO BUSINESS MENTIONED UNDER ITEM NO. 4
OF THE ACCOMPANYING NOTICE**

Attached to the Notice convening the 45th Annual General Meeting of IST Limited to be held on Thursday, 30th September, 2021.

Item No. 4

Mrs. Manu Aggarwal (DIN: 09009095) has been appointed as an Additional Director in the capacity of Independent Director of the Company with effect from 11th January, 2021 pursuant to the provisions of Section 161 of the Companies Act, 2013, and the Articles of Association of the Company. As such Mrs. Manu Aggarwal holds office up to the date of the forthcoming Annual General Meeting and is eligible for appointment as a Director. The Company has received a notice under Section 160(1) of the Act proposing her candidature for the office of Director of the Company.

Mrs. Manu Aggarwal holds a bachelor's degree in Arts (Honours) and is a practicing Advocate. She has vast knowledge in various laws including Indian Corporate Laws and having expertise in matters relating to Intellectual Property Rights. Apart from her expertise in the field of Law, she is also financially literate.

As per the provisions of Section 149 of the Act, an Independent Director shall hold office for a term upto five consecutive years on the Board of the Company and is not liable to retire by rotation. Mrs. Manu Aggarwal has consented to act as Director of the Company and has given declaration to the Board that she meets the criteria of independence as provided under Section 149 of the Companies Act, 2013 and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Mrs. Manu Aggarwal fulfils the conditions specified in the Companies Act, 2013 and Rules made thereunder read with Listing Regulations (LODR) for appointment as an Independent Director of the Company. The Board considers that, given her experience and professional background, the appointment of Mrs. Manu Aggarwal would be beneficial to the Company and it is desirable to avail her services as an Independent Director. Accordingly, the Board, based on the recommendation of the Nomination and Remuneration Committee, recommends her appointment as an Independent Director for a period of five years commencing from 11th January, 2021 till 10th January, 2026.

Consent of the Members is required for appointment of Mrs. Manu Aggarwal, in terms of Section 149 of the Act read with Schedule IV of the Act. The terms and conditions of appointment of Mrs. Manu Aggarwal, pursuant to Schedule IV of the Act, shall be open for inspection at the registered office of the Company by any Member during business hours on any working day of the Company.

None of the Directors or Key Managerial Personnel and their respective relatives, except Mrs. Manu Aggarwal, is concerned or interested (financially or otherwise) in this Resolution. The Board recommends the resolution set out at Item No. 4 of the Notice for approval of the Members.

The brief resume of Mrs. Manu Aggarwal is given in the Annexure to the notice under the head 'Brief profile of the Director(s) seeking appointment / re-appointment'.

State of Company's Affairs

Your Company is primarily engaged in the business of manufacturing of high precision engineering components / assemblies for Automobile and Consumer Goods Industry. Incorporated in the year 1976, the Company has remained a going concern. The Company has one operative production plant at Dharuhera (Gurgaon), which has been accredited as ISO/TS 16949:2009 and ISO 14001:2004 certified unit. The Company is also a ISO 9001:2008 certified Company.

The operations of the Company continued in a smooth and uninterrupted manner during the course of the year except for a shorter period during the nationwide lockdown in the month of April-May 2021. The Company took all necessary measures for the well being of its employees while minimizing the adverse effect on the operations of the Company. Post lock-down the business operation gradually resumed and normalized by the end of second quarter. However, due to prevailing pandemic, the Company and its management ensured that all the advisories issued by the Government from time to time were duly complied.

During the year under review, the operating revenue of your company increased to 2,976.63 Lacs as against Rs. 1,755.07 Lacs achieved in the previous year. The Earnings before interest, depreciation, tax & amortizations (EBIDTA) increased to Rs. 1,331.92 Lacs as compared to Rs. 997.98 Lacs in the previous year. The net profit after tax (PAT) for the year also increased to Rs. 813.63 Lacs as compared to Rs. 499.47 Lacs in the previous year. The Basic and Diluted Earnings Per Share (EPS) for the year was Rs. 6.98 per share.

During the year under review, the Company continues to remain Debt Free.

The Equity Shares of the Company are listed on Bombay Stock Exchange (BSE)

Appropriation of Profit after Tax for Transfer to Reserves

No amount has been transferred to the General Reserve during the year. The net retained earnings have been kept in the profit and loss account.

Dividend

The Board of Directors has decided not to recommend any dividend for the financial year 2020-21.

Share Capital

During the year under review:

- a) No Equity shares have been issued with differential voting rights. Hence, no disclosure is required in terms of Rule 4(4) of Companies (Share Capital and Debentures) Rules, 2014.
- b) No issue of Sweat Equity Share has been made. Hence, no disclosure is required in terms of Rule 8(13) of Companies (Share Capital and Debentures) Rules, 2014.
- c) There was no issue of Employee Stock Option. Hence, no disclosure is required in terms of Rule 12(9) of Companies (Share Capital and Debentures) Rules, 2014.
- d) There was no provision made by the Company for any money for purchase of its own shares by employees or by trustees for the benefit of employees. Hence, no disclosure is required in terms of Rule 16(4) of Companies (Share Capital and Debentures) Rules, 2014.
- e) The issued, subscribed and fully paid up share capital of the Company as on 1st April, 2020 and 31st March, 2021 remained unchanged.

Deposits

The Company has not accepted any deposits, within the meaning of Section 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposits) Rules, 2014 and as such, no amount on account of principal or interest on deposits from public was outstanding as on the date of the balance sheet.

Subsidiaries and Associate Companies

The Company has one wholly owned Subsidiary namely 'Gurgaon Infospace Limited', and one Associate namely 'IST Steel & Power Limited' as on March 31, 2021. There has been no material change in the nature of the business of the subsidiary. The subsidiary of the Company is engaged in the business of development of Infrastructure for IT / IITES Sector.

None of the Company has become or cease to become the subsidiary, joint venture or associates of your Company during the year 2020-21.

The particulars of Subsidiary(ies) and Associate(s) of the Company are provided in form MGT – 9 attached as Annexure – A to this report.

Pursuant to provisions of Section 129(3) of the Act, a statement containing salient features of the Financial Statements of the Company's subsidiary(ies) in Form AOC-1 is attached to the Financial Statements of the Company.

In accordance to the provisions of section 136 of the Act, the Standalone Financial Statements of the Company, the Consolidated Financial Statements along with relevant documents and separate audited accounts in respect of subsidiaries are available on the website of the Company.

The Policy for determining Material Subsidiaries, adopted by your Board, in conformity with Regulation 16(c) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, can be accessed on the Company's website www.istindia.com.

Consolidated Financial Statements

The audited consolidated financial statements of the Company for the FY 2020-21 and its subsidiary(ies), which forms part of the Annual Report have been prepared in the same form and manner as that of its own and in accordance with the Indian Accounting Standards (Ind AS), form part of the Annual Report.

Board of Directors

The Board of Directors devises operational and financial strategies for the organization and monitor the effectiveness of the practices adopted by the Company. The members of the Board are judgmental, responsible and experienced and have varied industrial expertise. The diversity of the Board enhances the quality of the decisions making by utilizing the different skills, qualification, professional experience, knowledge etc., necessary for achieving sustainable and balanced

development as well as ensuring good Corporate Governance. The Board of your Company possesses the appropriate expertise and experience, combination of Industry Knowledge, diversity and integrity, which is in the best interest of the Company.

In accordance with the provisions of Section 152 of the Companies Act 2013 and the Articles of Association of the Company, Mrs. Sarla Gupta (DIN: 00069053) and Mr. Suresh Chand Jain (DIN: 00092079) shall retire by rotation at the ensuing Annual General Meeting and being eligible has offered themselves for re-appointment, subject to approval of the shareholders. The brief detail of Mrs. Sarla Gupta and Mr. Suresh Chand Jain is furnished in the explanatory statement to the notice of the AGM under the head "Directors Seeking Appointment/ Re-appointment at this Annual General Meeting".

The Board of Directors has appointed Mrs. Manu Aggarwal as additional director in the capacity of Independent Director of the Company w.e.f. 11th January, 2021 who shall hold office upto the ensuing Annual General Meeting (AGM) and being eligible for appointment as Independent Director in terms of Section 149 and 152 of the Act at the AGM, subject to the provisions of the Act, your Company has received a notice in writing from a member proposing her candidature for the office of Independent Director along with the requisite deposit. She qualifies to be an Independent Director pursuant to the provisions of Section 149(6) of the Act.

Mr. Narinder Lal Khitha, Whole Time Director, designated as Director (Technical), resigned as member of the Board w.e.f. 30th June, 2021, due to personal reasons and pre-occupations.

In terms of Section 149 of the Act, and Regulation 16(1) of the Listing Regulations, the Independent Directors of the Company as on March 31, 2021. The Independent Directors have submitted a declaration that each of them meet the criteria of Independence as laid down under Section 149(6) of the Act read with Rules framed thereunder and Regulation 16 of the Listing Regulations and that they are not aware of the circumstances or situation, which might have exists or is anticipated, that could impair their ability to discharge their duties with an objective independent judgment and without any external influence as required under Regulation 25 of the Listing Regulation. Further, all the Directors have confirmed that they have complied with the Company's code of conduct.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has carried out Annual Performance Evaluation of its own performance, each of Director individually and that of its Committees. The performance was evaluated by the Board after seeking inputs from all the Directors on the basis of criteria such as the Board composition and structure, effectiveness of board processes, information flow and functioning etc.

The performance of the Committees was also evaluated by the Board after seeking inputs from all the members of the respective Committee on the basis of criteria such as the composition of the committee, effectiveness of committee, information flow and functioning etc.

Further, Board has also carried out an Annual evaluation of Independent Directors. The Performance Evaluation was based on their contribution to Company's objectives and plans, efficient discharge of their responsibilities, participation in Board/ Committee meetings, adherence to the Code of Conduct and other relevant parameters.

During the year a Separate Meeting of Independent Directors was held to assess the performance of Non-independent Director and the Chairperson of the Company. While evaluating the performance of any member, the views of executive directors and non-executive directors were also taken into consideration.

Familiarization Program for Independent Directors

In terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the company regularly appraises the Directors at the meetings about the changes and updates in the regulatory and business environment to enable them to familiarize with the Company's procedure and practices. The familiarization programs are conducted as and when required or on the specific request of a Director which includes visit to manufacturing unit, meeting with senior and middle level management to make them understand the in-depth about the financials and operations of the Company.

Number of Meetings of the Board

During the year under review, the board of the directors of the company met 6 times. A separate meeting of Independent Directors was held on 13.02.2021. The details of such meetings have been provided in Corporate Governance Report

that form part of the Annual Report. The intervening gap between any two meetings was within the period prescribed under the Companies Act, 2013 and Listing Regulations.

Key Managerial Personnel

In terms of the provisions of Section 203 of the Companies Act, read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, Mr. Suresh Chand Jain, Executive Director, Lt. Col. (Retd.) N.L. Khitha, Director (Technical) (Resigned w.e.f. 30/06/2021), Mr. D.N. Tulshyan, Chief Financial Officer and Mr. Bhupinder Kumar, Company Secretary are the Key Managerial Personnel (KMP's) of the Company.

Directors Responsibility Statements

In terms of the requirement of Section 134(5) of the Companies Act, 2013 and based on the framework of internal financial control and audit / review conducted by the internal, statutory and secretarial auditors, the Board of Directors with the concurrence of the Audit Committee, is of the opinion that the Company's internal financial controls were adequate and effective and hereby confirm:

- a) that in the preparation of the annual accounts for the financial year ended 31st March, 2021, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- b) that the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year 31st March, 2021 and of the profit and loss of the Company for that period;
- c) that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) that the annual accounts have been prepared on a going concern basis;
- e) that proper internal financial controls were laid down and that such internal financial controls are adequate and were operating effectively.
- f) that proper systems to ensure compliance with the provisions of all applicable laws were in place and that such systems were adequate and operating effectively; and

Corporate Social Responsibility

Pursuant to Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, Board of Directors of the Company has constituted the Corporate Social Responsibility Committee (CSR Committee) comprising of the following Directors:

- (a) Air Marshal Denzil Keelor (Retd), Chairman
- (b) Mr. Gaurav Gupta
- (c) Lt. Col. N.L. Khitha (Retd.) (Resigned w.e.f. 30/06/2021)

The said committee has been entrusted with the responsibility of formulating and recommending to the Board, a Corporate Social Responsibility Policy (CSR Policy) or any amendment thereto, inter-alia indicating the activities to be undertaken by the Company, monitoring the implementation of the CSR policy and recommending the amount to be spent on CSR activities.

Further details on Corporate Social Responsibility are given in Annexure- B to this Board Report.

Auditors and Auditors' Report

Statutory Audit

Pursuant to the provisions of Section 139 of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, M/s Gupta Vigg & Co., Chartered Accountants were appointed as the Statutory Auditors of the Company at the 41st Annual General Meeting of the Company held on 29th September, 2017, for a first term of 5 consecutive years from the conclusion of 41st Annual General Meeting till the conclusion of 46th Annual General Meeting of the Company to be held in the year 2022.

The report given by M/s Gupta Vigg & Co. statutory auditors on the financial statement of the Company for the year 2020-21 is part of the Annual Report. The observations of the Auditors and the relevant notes on the accounts are self-explanatory and therefore do not call for any further comments. The Auditors' Report does not contain any qualification, reservation, adverse remark or disclaimer.

Further, during the year, in the course of the performance of their duties as auditor, no frauds were reported by them which they have reason to believe that an offence involving fraud has been committed against the Company by officer or employees of the Company.

Internal Audit

Pursuant to Section 138 of the Companies Act, 2013 read with Rule 13 of the Companies (Accounts) Rules, 2014, M/s Jinender & Co., Chartered Accountants were re-appointed as the Internal Auditors of the Company for the financial year 2020-21.

Secretarial Audit

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors had appointed M/s. Vinod Kumar & Co., Company Secretaries in practice to conduct Secretarial Audit for the financial year 2020-21. The Secretarial Audit Report presented by Vinod Kumar & Co., Company Secretaries confirms the compliances by the company of all the applicable provisions of Companies Act, 2013, Listing Agreement, SEBI guidelines and all other applicable laws, rules and regulations.

The Secretarial Audit Report for the financial year ended 31st March, 2021 is annexed herewith which form part of this Report as Annexure – C.

The Secretarial Audit Report does not contain any qualification, reservation and adverse remark.

Cost Audit

Pursuant to Section 148(3) of the Companies Act, 2013 read with the Companies (Cost Record and Audit) Rules, 2014, the Cost Audit / maintenance of cost records is not applicable on the Company.

Internal financial control systems and their adequacy

The Internal Control Systems are inherent in the Company and are working effectively and efficiently and are in the best interest of the Company. The Company has a process in place to continuously monitor the efficiency and effectiveness of the Internal Controls which are reviewed by the management, from time to time. The Company has designed and implemented a process driven framework for Internal Financial Control (IFC) within the meaning of the Section 134(5)(e) of the Companies Act, 2013 read with explanation thereof. For the year ended March 31, 2021, the Board is of the opinion that the Company has sound IFC which commensurate with the nature and size of its business operations and no weakness exists. IFC ensures the accuracy and completeness of the accounting record and the timely preparation of reliable financial information.

Vigil Mechanism

The Company has adopted a Whistle Blower Policy, to provide a formal mechanism to the Directors, employees and business associates to report to the management, their concern about any unethical behavior, actual or suspected fraud or violation of the company's code of conduct or ethics policy. The Policy provides for adequate safeguards against victimization of employees who avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee. The vigil mechanism is being overseen by the Audit Committee. It is hereby affirmed that no personnel of the Company has been denied access to the Audit Committee. The whistle blower policy is available at company's website www.istindia.com.

Risk Management

Risk is inherent in all the business and administrative activities of the Company. Therefore, the Company has a system in place for identifying and mitigating the Risk associated with the nature of Businesses undertaken by the Company. The audit committee and the Board also reviews the area of financial risks while analyzing the adequacy and efficiency of internal controls systems adopted by the Company, from time to time. Further the Board of Directors periodically takes note of the initiatives taken by the management to mitigate risk. The Company has formulated Risk Management Policy duly adopted by the Board which is available on Company's Website of the Company

In accordance with provisions of Regulation 21 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is not required to constitute Risk Management Committee during the year 2020-21.

Particulars of Investments, Loans, Guarantees given or Securities provided

The Company has not provided any Guarantee or security for any party. Particulars of investment under section 186 of the Companies Act, 2013 read with rule 8(2) of the Companies (Accounts) Rules, 2014 is given in form AOC – 2 as annexed to this Report. Further the detail is also provided in the standalone financial statement under notes 8 and note 13.

Related Parties transactions

All the related party transactions were entered in ordinary course of business and are on arm's length. Transactions with related parties are conducted in a transparent manner and in the best interest of the Company. The system of taking prior approval of Audit Committee for entering into any related party transaction is in place and is strictly followed by the Company. Once approved by the Audit Committee, all related party transactions are also approved by the Board of Directors. A statement of all the related party transaction being entered by the Company and any subsequent modification thereof, specifying the nature, value and terms and conditions of transaction is placed before the Audit Committee on Quarterly basis for its review. Detail of the Related Party Transactions are given in Note No. 41 to the financial statement.

During the year under review there was no materially significant related party transaction between the Company and its directors, Key Managerial Personnel, their relatives, subsidiaries or associate companies and other related parties.

Accordingly particulars of contracts or arrangements with related parties referred to in Section 188(1) along with the justification for entering into such contracts or arrangements in Form AOC-2 does not form part of this report.

The policy on materiality of related party transactions and dealing with related party transactions as approved by the Board is available on the Company's website.

Pursuant to Section 136(1) of the Companies Act, 2013, the report of the Board of Directors is being sent to the Shareholders of the Company excluding the statement prescribed under Rule 5 of the Companies (Appointment and Remuneration) Rules, 2014. The statement is available for inspection by the shareholders at the Registered Office of the Company during business hours up to the date of ensuing annual general meeting.

Protection of Women at Workplace

The Company has zero tolerance for sexual harassment at workplace and has adopted a Policy on prevention of sexual harassment at work place pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal Act, 2013. The policy has been widely disseminated and all employees are made aware of the same. During the year under review, there was no case of sexual harassment reported.

Conservation of energy, technology absorption, foreign exchange earnings and outgo Conservation of energy:

A. Conservation of Energy

a) Steps taken or impact on conservation of energy

- The Company ensures that the manufacturing operations are conducted in the manner whereby optimum utilization and maximum possible saving of the energy is achieved.
- All possible steps are being taken to reduce idle running of machinery, thereby reducing wastage of energy and Fuel/ Oil Consumption.
- All efforts are made to conserve the energy through various means such as use of low energy consuming lighting systems etc.
- No specific investment has been made in reduction in energy consumption. However, the Management continuously upgrades and/or replaces old machinery with energy efficient machinery as and when required.
- As the impact of measures taken for conservation and optimum utilization of energy are not possible to be quantified, its impact on cost cannot be stated accurately.
- No specific step have been taken by the management for utilization of alternate source of energy

IST LIMITED

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2021**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the
Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

CIN :- L33301HR1976PLC008316
NOMINAL CAPITAL :- RS. 100000000

To,
The Members,
IST LIMITED
Dharuhera Industrial Complex
Delhi-Jaipur Highway, Dharuhera,
District Rewari, Rewari HR 123106

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by IST LIMITED (CIN L33301HR1976PLC008316) (**hereinafter called the Company**). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit and the representations made by the Company, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by company for the financial year ended on 31st March, 2021 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there under;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; (**Not Applicable**)
- III. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations,2011;
 - b. The Securities and Exchange Board of India (Prohibition of insider Trading) Regulation, 2015
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (**Not Applicable as the Company has not issued any further share capital during the period under review**);
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (**Not Applicable**);
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (**Not Applicable as the company has not issued and listed any debt securities during the financial year under review**);

- f. The Securities and Exchange Board of India (Registrar to an issue and share transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable as the company is not registered as registrar to issue and Share Transfer Agent during the financial year under review)**;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable as the company has not delisted/ proposed to delist its equity shares from any Stock Exchange during the financial year under review)**;
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable as the Company has not bought back/Proposed to buy- back any of its securities during the financial year under review)**
 - i. The Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015.
- VI. The Management has identified and confirmed the following other law as applicable to the Company :
- i. Payment of Wages Act, 1936
 - ii. Minimum Wages Act, 1948
 - iii. Employee's State Insurance Act, 1948
 - iv. Payment of Gratuity Act, 1972
 - v. Factories Act, 1948
 - vi. Employees Provident Fund and Miscellaneous Provisions Act, 1952
 - viii. Payment of Bonus Act, 1965
 - ix. Air (Prevention And Control of Pollution)Act, 1981
 - xi. Water (Prevention And Control of Pollution)Act, 1974
 - xii. Equal Remuneration Act, 1976
 - xiii. The Contract Labour(Regulation And Abolition) Act, 1970

We have also examined compliance with the applicable clauses of the following:-

- (i) Secretarial Standards with regard to meeting of the Board of Directors (SS-1) and General Meeting (SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with Bombay Stock Exchange Limited and Delhi Stock Exchange Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standard, etc. mentioned above except to the extent as mentioned below :-

1. **Few of the forms required to be filed under Companies Act, 2013 were filed after the expiry of 30 days from the date of passing of resolution with late fees; this should be reported as compliance by reference of payment of additional fees.**
2. **In accordance with provision of Section 135, Company shall spend in every financial year, at least two per cent of the average net profits made during the three immediately preceding financial years. During the financial year 2020-21 the Company was required to spend Rs 18.13 Lakhs on CSR activities. The Company has spent Rs. 50.00 Lakhs on CSR activities. The closing balance of unspent amount of previous years is Rs. 56.15 Lakhs .**
3. **The Board of Directors shall have at least one independent woman director as per the Regulation 17(1) of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015 w.e.f. 1st April 2020. But the Company has appointed Independent woman director on 11th January 2021.**
4. **As per the Regulation 27(2) (a) of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015 company shall submit a quarterly compliance report on corporate governance to the recognized stock exchange within fifteen days from close of the quarter.**

But the company has delayed submitted the quarterly compliance report on corporate governance to stock exchange.

5. **The Company has delayed in furnishing prior intimation about the meeting of the board of directors as per the Regulation 29 of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015**

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and independent Directors.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were send generally seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the information and explanation provided by the management, there are adequate systems and processes in the company commensurable with the size and operations of the company to monitor and ensure compliances with applicable laws, rules and regulations.

As per the minutes of the meeting duly recorded and signed by the chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that during the Audit period, there are no specific events/ actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards taken place.

This Report is to be read with our letter of even date which is annexed as '**Annexure A**' and Forms an integral part of this report.

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The report states the compliance with the principles of Corporate Governance as prescribed by SEBI in Chapter IV read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) 2015, hereinafter collectively referred to as the 'Listing Regulations'.

The Company believes that good corporate governance is essential for achieving sustainable growth and enhance long term value of the enterprise and its stakeholders. The Company always endeavors to maintain a valuable relationship and trust with all stakeholders. We consider stakeholders as partners and we remain committed in enhancing value to stakeholders, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. The Company also consider it imperative to abide by the laws and regulations of the land in letter and spirit and is committed to the highest standards of corporate behaviors. In this pursuit, your Company's philosophy of Corporate Governance is aimed at assisting the management of the Company in the efficient conduct of its business and to continuously strive to attain efficient levels of business practices, ensure accountability, transparency, responsibility and fairness in all aspects of its operations. Your Company continues to lay great emphasis on broad principles of Corporate Governance and ethical standards. Your Company, with a view to achieve these objectives, has adopted corporate strategies, prudent business plans and monitoring of performance on an ongoing basis.

2. BOARD OF DIRECTORS

The Board of Directors is responsible for the management, direction and performance of the Company and plays an important role in overseeing how the management serves the objectives and interests of the stakeholders, while achieving the corporate goals. Being in the fiduciary relationship the Board ensures that the rights of all stakeholders are protected. It consists of optimum combination of executive, non-executive and independent directors to maintain the independence of the Board and integrity in the affairs of the Company.

The Independent Directors play important role in Board decision processes by imparting their independent views on the matters placed before the Board. All the Independent Directors have confirmed that they meet the criteria of independence, as mentioned under Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure requirements), Regulations 2015, read with Section 149(6) of the Act and have been appointed as per the provisions of the Companies Act, 2013.

The dates for meetings of the Board of Directors and its Committees are scheduled well in advance and is communicated to Directors enable them to plan and to make it convenient to attend the meeting and to ensure their full participation in the meeting. Additional meetings are convened wherever necessary and in case of urgent matters resolutions are passed by circulation and the noting of same is done in the subsequent Board meeting. During the year under review 6 Board meetings were held on 07.07.2020, 12.09.2020, 13.11.2020, 04.12.2020, 11.01.2021, and 13.02.2021. All material information(s) were circulated to the directors before the meeting, including minimum information required to be made available to the Board as prescribed under Part A of Schedule II of Regulation 17(7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015. The information of the nature of unpublished price sensitive information is circulated to the Board before the commencement of the Board meeting. The Executive Director and the Chief Financial Officer of the Company make presentation to the Board on the matters including but not limited to the Company's performance, operations, plans, budgets etc. The Board is also kept informed of major events / items and approvals are taken wherever necessary.

In addition, a meeting of Independent Directors was held on 13.02.2020 without the attendance of non-independent directors and members of the management. The meeting was conducted to enable the Independent Directors to discuss matters pertaining to the Company's affairs and put forth their view.

Composition of the Board

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a) Overall Economic View

Economies across the globe witnessed decline in growth, many slipped into recession due to COVID induced Lockdown worldwide. The financial year begins with nationwide lockdown and all the economic activities barring essential services were under complete closure for a period of more than 45 days. Already slowing down economy was further hampered by the COVID situation. Amidst all the odds, migrations of workers due to uncertainty added more worries to the manufacturing sector. The uncertainty also adversely affected consumer sentiments. However, with the lifting of countrywide lockdown and other measures taken by the government to support the economy, manufacturing activity gradually started to pick-up and was back to its normal by the start of Second Quarter. The growth continued to recover and was back in positive territory in the Third Quarter. The Country witnessed a V-shaped recovery as most of the consumption and industrial indicators were back in the positive growth territory in September – December Quarter.

The Automobile industry bounced back at a pace much faster than anybody expected as soon as the lockdown was lifted and from August'20 onwards the passenger vehicle segment has remained positive. The Commercial Vehicle segment also witnessed positivity from October'20 onwards with transportation resuming back to its pre-covid levels. The Automotive Original Equipments Manufacturers (OEM's) also pushed the production amidst the increase in demand as well as anticipated surge in the demand during the festive season usually starting from September onward every year.

During the year the automobile Industrial growth was also hampered by the sharp rise in the cost of procuring the raw material, especially steel, aluminum and copper which account for the majority part of the input cost of Automobile industry. With the prevailing COVID-19 continues to hamper the industry, the growth is dependent on efficient management of the prevailing pandemic along with continuing economic activity. It is expected that although the overall economic growth may sustain negative growth in the short term, the medium and long term perspective remains positive for the industry due to several factors such as low level of vehicle ownership, rapid urbanization, development of road infrastructure and focus on rural development. The vehicle scrapage policy is expected to further boost the demand. The favorable government policy initiative(s) will further support the growth prospective of the automobile industry.

b) Industry Structure, development and future outlook

Your Company is engaged in the following business streams:

- Manufacturing of Auto Components.
- Development of Infrastructure for IT / ITES Sector.

Auto Component Industry

The Automobile Component Industry in India continues to remain one of the leaders in the world in terms of production and is set to become the third largest in the world by 2025. The auto-components industry accounts for about 2.3 per cent of India's Gross Domestic Product (GDP) and employs 1.5 million people directly and 1.5 million people indirectly. The Indian auto-components industry has experienced healthy growth over the last few years. The auto-components industry expanded by a CAGR of 6% over FY16 to FY20 and revenue stood at US\$ 49.3 billion in Financial Year 2020. The industry is expected to reach US\$ 200 billion by Financial Year FY26. Due to high development prospects in all segments of the vehicle industry, the auto component sector is expected to rise by double digits in FY22. Export of auto components grew at a CAGR of 7.6% to reach Rs. 102,623 crore (US\$ 14.5 billion) during the same time. As per Automobile Component Manufacturers Association (ACMA), automobile components export from India is expected to reach US\$ 80 billion by 2026. The Indian auto components industry is expected to reach US\$ 200 billion in revenue by 2026. India has witnessed an inflow of FDI into the automobile industry during the period from April, 2020 to March 2021 at US\$ 25.85 billion. (Source: www.ibef.org)

Although disruption due to COVID-19 over the past one and half year has hampered the growth of the Automobile sector in the short term, the industry has bounced back once situation normalized. It has been observed that COVID-19 related effect has been temporary and once the situation normalizes, there is a sharp surge in the demand. Apart from Covid related effect, the other parameters to anticipate the growth of the sector has remained positive.

The Liberalized and favorable government policies such as Auto Policy 2002, Automotive Mission Plan 2016-2026, recent lowering of GST rates on EV's, National Automotive Testing and R&D Infrastructure Projects (NATRIPs), overall economic development and focused support from the Government has helped the Indian auto components industry achieve considerable growth. (Source: www.ibef.org)

Development of Infrastructure for IT / ITES Sector:

India remains the world's largest sourcing destination with largest qualified talent pool of technical graduates in the world. The country has the low-cost advantage, being 5-6 times inexpensive than the US. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, the Indian IT / ITES sector provides a range of end to end software development, digital services, IT business solutions, research and development services, technology infrastructure services, business process services, consulting and ancillary support functions. More importantly, the Industry has led the economic transformation of the Country and altered the perception of India in the global economy. With several global IT firms setting up their innovation centers in India, the country has become the digital capabilities hub of the world with around 75 per cent of global digital talent present in the country.

According to Cloud Next Wave of Growth in India report, India's cloud market is expected to grow three-fold to Rs 49,621 crore (US\$ 7.1 billion) by 2022, driven by the demand for Big Data, Data Analytics, Artificial Intelligence (AI) and Internet of Things (IoT).

India's IT industry contributed around 8 per cent to country's GDP (Gross Domestic Product) and is expected to contribute 10 per cent to India's GDP by 2025. Exports from the Indian IT industry are expected to increase by 1.9% to reach US\$ 150 billion in FY21. In 2020. According to STPI (Software Technology Park of India), the software exports by its registered units increased by 7% YoY to reach Rs. 5 lakh crore (US\$ 67.40 billion) in FY21 from Rs. 4.66 lakh crore (US\$ 62.82 billion) in FY20, driven by rapid digitization and the IT industry's timely transition to remote working environments that helped to keep up the industry's growth amid corona pandemic. The IT & BPM industry's revenue is estimated at ~US\$ 194 billion in FY21, an increase of 2.3% YoY. The domestic revenue of the IT industry is estimated at US\$ 45 billion and export revenue is estimated at US\$ 150 billion in FY21. According to estimates, IT spending in India is estimated to reach US\$ 93 billion in 2021 i.e. and growth of around 7.3% YoY, and is expected to further increase to US\$ 98.5 billion in 2022. The IT sector employs around 3.1 million workers as on the financial year ending of 2021.

The Government of India has extended tax holidays to the IT sector for Software Technology Parks of India (STPI) and Special Economic Zones (SEZs). In 2020, the government released "Simplified Other Service Provider" (OSP) guidelines to improve the ease of doing business in the IT Industry, Business Process Outsourcing (BPO) and IT-enabled Services. In Budget 2021, the government has allocated Rs. 53,108 crore (US\$ 7.31 billion) to the IT and telecom sector. (source: ibef.org)

c) Opportunities and Threat and Future Outlook

Auto Component Industry

The core business of your company is the manufacturing of High Precision Components for Auto Industry. Over the last few years the Auto Component Industry has seen a rapid growth driven by strong growth in the domestic market and increasing exports. Despite the persisting COVID – 19 pandemic, the Automobile sector continues to grow at a health pace. The Government of India has also taken various initiatives for the growth of Indian Auto Industry including deregulation of FDI for the sector. India has become favorable destination for various Global players.

The rapidly globalising world is opening up newer avenues for the industry, especially while it makes a shift towards alternate source of fuel like Compressed Natural Gas (CNG), electric, electronic and hybrid cars are

also been promoted worldwide. These are deemed to be more efficient, safe, reliable and Cost effective modes of transportation. Over the next decade, this will lead to newer verticals and opportunities for auto-component manufacturers and the industry would need to adapt to the change *via* systematic research and development, continual technology upgradation etc. The Indian auto-components industry is set to become the third largest in the world by 2025. This brings in tremendous opportunities to the industry both in the domestic as well as Overseas Markets.

The rapid growth in the Industry also brings in stiff competition both from the domestic and International manufacturers who have the potential for the large scale production and give price competition. New technology coming-in through the global players and large domestic companies, makes the environment challenging for smaller size companies. Further, Softening of interest rate lower than expected, tightening money supply, volatility in the price of raw materials and other inputs, currency fluctuations, stringent emission norms are other major threats faced by the Industry.

COVID-19 has largely impacted the performance of the sector in the first half of FY2020-21 but the business recovered once lockdown was lifted. The second wave also impacted the business due to unavoidable lockdown to curtail the spread in April-May 2021. But the business again recovered post the second wave. Despite the concern of the third wave of the pandemic, the sector is cautiously optimistic about the prospects of the Indian Automobile Sector in the coming years. Although the uncertainty prevails in the short term, the sector is optimistic in the medium and long term and the prospects are encouraging for the Indian Automobile Component manufacturing Segment.

Development of Infrastructure for IT / ITES Sector

With the aim to Infrastructural Development, promoting export and creating employment, the Government is promoting the development of SEZs specifically for IT / ITES sector. The sector enjoys tax holidays and exemptions which attracts IT / ITES companies to operate in SEZs. Over the past decade the IT/ITES sector has witness a tremendous growth in India and is expected to continue its growth run in the this decade as well.

The increase in economic activities across the world, companies in US, Europe and other developed economies are opening up opportunities for the IT related service providers in India. As US is one the major market for Indian IT Industry, any policy change with respect to out-sourcing of work by the US government may adversely affect the IT industry in India. During the prevailing pandemic the IT sector has adopted to work from home culture, which may become the trend for the future.

However, despite these threats the Indian IT / ITES Industry has outperformed the expectations y-o-y. The growth in IT / ITES Industry will give new opportunities to your Company and the management is optimistic about the good performance of the SEZ business of your Company.

d) Operational Performance

Company's primary business segment is manufacturing of High Precision Components for auto and consumer industry. During the year under review the gross revenue stood at Rs. 3,917.78 Lacs and profit after tax stood at Rs. 813.63 Lacs. The earning per share was at Rs. 6.98 per share.

The wholly owned subsidiary of the Company engaged in Development and operations of IT & ITES SEZ continue to have steady growth. The gross revenue of Rs. 13,794.07 Lacs and the net profit after tax was Rs. 8,704.63 Lacs. The earning per share was at Rs. 8,704.63 per share.

e) Risk and Concerns and its Management

Stiff competition both from domestic and overseas auto component manufactures, uncertainty arising from currency volatility, rise in input cost, low-priced imports and counterfeit auto parts available at cheap price are some of the external risks associated with the business. Operational risks like shortage of power which leads to increase in cost of production. Continues upgradation of technology due to existence major international players rapid technological advancement are one of the major concern for the business. In addition, the growth of the Company dependent on the automobile sector which makes the market uncertain at times. General

economic conditions also effect the performance of the Company. Change in regulatory environment always and government policy may also impact the Industry.

The industry efforts to mitigate the above risks along with policy measures of the government would determine the impact of the above risks on the industry going forward.

Risk Management is a process of identifying the risks, analysis of its effect on the business operations of the Company, measures to be taken to mitigate such risks. As an business enterprise the Company is exposed to various risk some of which are identifiable and can be mitigated through defined Internal Control Mechanism. However there are certain risks which cannot be predicated and are unascertainable at a given point of time. These can be mitigated through the experience inherited by the Company and its management over the period. The Company has inherent system for identifying and mitigating the Risk associated. The senior management meets periodically to discuss various operational matters and risks involved therein.

f) Internal Control and their Adequacy

Internal Control Systems inherent in the Company are adequate and commensurate with the size and nature of the business. The inherent systems ensures that the resources of the Company are used efficiently and effectively, all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorised, recorded and reported correctly, financial and other data are reliable for preparing financial information and other data and for maintaining accountability of assets. The ever improving Internal Control Systems are well complemented with the internal audit system, documented policies, guidelines and procedures and are reviewed by the management on regular basis. This ensures timely detection of any irregularities and early remedial steps being taken by the Company.

g) Human Resource

The Company believes that the Human Resources are one of its biggest assets and strives to achieve maximum employee satisfaction. It is believed that the health, safety and security of everyone who works for the Company is critical to the success of the business operations. Constant Human Resource training and development is important for the growth of the Company. Employees relations continue to be harmonious and positive.

h) Cautionary Statement

Certain representations and statements made under the 'Management Discussion and Analysis' are based on the Company's views about the industry, present market conditions, expectations/predictions, objectives, etc. and may be forward looking statement within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied in these statements. Your Company's operations may, inter-alia, be affected by the supply and demand situations, input prices and availability, changes in government regulations, tax laws, government or court decisions and other factors such as industry relations and economic developments etc. in the Country. The Investors should bear the above in mind.

**INDEPENDENT AUDITOR’S REPORT**

TO THE MEMBERS OF IST LIMITED

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the accompanying standalone financial statements of IST Limited (“the Company”), which comprise the Standalone Balance Sheet as at March 31, 2021, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditors’ Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No. 50 of the standalone financial statements, which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Company’s financial performance as assessed by the management. Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor’s Response
Investments as on 31st March, 2021 <i>(Refer to Note no.8 and 13 to the notes to the standalone financial statements)</i>	
<p>This is the largest asset on the standalone balance sheet. Our audit effort has increased in this area and in particular, there is significant focus on considering whether the underlying investments are valued appropriately.</p> <p>These included investments in quoted and unquoted equity shares, mutual funds, preference shares and tax free bonds. Investments also include investment in wholly owned subsidiary and in associate company.</p> <p>The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement.</p> <p>Accordingly, investment was determined to be a key audit matter in our audit of standalone financial statements.</p>	<p>Our audit procedure included the following:</p> <ul style="list-style-type: none"> • Testing whether associated controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs. • Assessing the availability of quoted prices in liquid markets. • Performing our own independent price checks using external quotes for liquid positions and to identify any potential impairment. • We also assessed whether the Company’s disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
 - g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

IST LIMITED

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure 'A' To the Independent Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended March 31, 2021, we report that:

- (i) In respect of fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a regular programme of verification of fixed assets. All the fixed assets have been physically verified by the management during the year except furniture and fixtures and office equipments, which in our opinion is reasonable having regard to size of the Company and nature of fixed assets. No material discrepancies were noticed on such verification.
 - (c) On the basis of information and explanation provided by the management, the title deeds of immovable properties are held in the name of the Company and the title deed in respect of sub lease of Commercial Property at Noida is pending for Registration.
- (ii) On the basis of information and explanation provided by the management, inventories have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. No material discrepancies were noticed on physical verification of inventories by the management.
- (iii) According to the information and explanations given to us, the Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of paragraphs 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made. In our opinion and according to the information and explanations given to us, there are no guarantees or security provided by the Company.
- (v) The Company has not accepted any deposits from the public in accordance with the provisions of Sections 73 to 76 of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not prescribed the maintenance of cost records for the Company under section 148(1) of the Companies Act, 2013. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, duty of customs, goods and service tax, cess and other applicable statutory dues with the appropriate authorities.
There were no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, duty of customs, goods and services tax, cess and other applicable statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, value added tax, service tax, goods and services tax, duty of customs and duty of excise, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not taken any loans or borrowings from any financial institution, bank or government nor has it issued any debentures. Accordingly, paragraph 3(viii) of the Order is not applicable to the Company.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) The Company has paid or provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to Act.

- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.

Annexure 'B' To the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of IST Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of IST Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing,

issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Summary of significant accounting policies and other explanatory information for the year ended 31st March 2021

1. Corporate information and statement of compliance with Indian Accounting Standards (Ind AS)

IST Limited ("the Company") a public limited company domiciled in India and having its registered office at Dharuhera Industrial Complex, Delhi-Jaipur Highway no. 8, Kapriwas, Dharuhera, Rewari 123106, was incorporated under the provisions of Companies Act, 1956. The Company is primarily engaged in the business of manufacturing of high precision engineering components / assemblies including auto components.

The financial statements of the Company have been prepared to comply in all material respects with accounting principles generally accepted in India, including Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

2. Basis of preparation and significant accounting policies

a. Basis of preparation

The financial statements have been prepared on accrual and going concern basis under historical cost convention except for certain financial instruments which are measured at fair values.

The significant accounting policies and measurement bases have been summarised below.

Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and as per terms of agreements wherever applicable. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

b. Revenue recognition

Revenue arises mainly from the sale of manufactured and traded goods.

To determine whether to recognise revenue, the Company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Revenue is measured at fair value of consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and service tax, etc.

Revenue is recognised either at a point in time or over time, when (or as) the Company satisfies performance obligations by transferring the promised goods or services to its customers.

Sale of goods

Revenue from sale of goods is recognised when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods.

Rendering of services

Revenue from services is recognised as and when the services are rendered and on the basis of contractual terms with the parties.

Interest

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Rental income

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs. In all the leases escalation is less than inflation and hence no Straight lining has been done.

c. Inventories

Finished goods, work in progress, raw material, stores, spares and components are valued at lower of cost and net realisable value. Cost of inventory has been arrived at by using the weighted average cost formula. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) & all other costs incurred to bring the inventories to their present condition and location. Tools and instruments are valued at cost less depletion in value. Stock of scrap is valued at estimated realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

d. Income taxes

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Current tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (in OCI or equity depending upon the treatment of underlying item).

e. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Foreign currency transactions

The financial statements are presented in Indian Rupee ('INR' or 'Rs.') which is also the functional currency of the Company.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income/expenses, as the case maybe.

g. Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets

Subsequent measurement

- i. **Financial assets carried at amortised cost** – A financial asset is measured at the amortised cost, if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.
- ii. **Fair value through OCI-A** financial asset is measured at FVTOCI if both of the following conditions are met:
 - The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii. **Fair value through profit or loss** – Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not

increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

h. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

i. Property, plant and equipment ('PPE')

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, taxes (non recoverable) borrowing cost if capitalisation criteria are met and other expenses directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and definition of asset is met. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.

Subsequent measurement (depreciation and useful lives)

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

j. Investment properties

Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set-out below) prescribed in Schedule II to the Act:

Assets category	Useful life (in years)
Building and related equipment	60

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

k. Intangible assets

Recognition and initial measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Subsequent measurement (depreciation and useful lives)

Amortisation on intangible assets has been provided on the straight-line method on useful life of 6 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

De-recognition

An item of intangible assets and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-

recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

l. Capital work-in progress

Cost of material consumed and erection charges thereon along with other direct cost incurred by the Company for the projects are shown as capital work-in-progress until capitalisation. Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance / receipt of claim.

m. Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For this purpose, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

n. Assets held for sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

o. Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption.

p. Provisions, contingent liabilities and contingent assets

Provisions are recognised when present obligations as a result of a past event will probably lead to an outflow of economic resources and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. A present obligation arises when there is a presence of a legal or constructive commitment that has resulted from past events, for example, legal disputes or onerous contracts. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

q. **Employee benefits**

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19- Employee Benefits.

Defined benefit plans

Gratuity

The Company operates one defined benefit plan for its employees, viz. gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method. Actuarial gain and loss for the defined benefit plan is recognized in full in the period in which they occur in other comprehensive income.

Other long term benefits

Accumulated leave expected to be carried forward beyond twelve months, is treated as long term employee benefit. Such long term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end. Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short term employee benefit.

Liability under continuity linked key resource and deferred salary schemes is provided for on actuarial valuation basis, which is done as per the projected unit credit method at the end of each financial period.

Defined contribution plans

Provident Fund

The Company makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

r. **Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s. **Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The Company operates in a single operating segment and geographical segment.

t. Investment in Subsidiary and Associate Companies

The Company has elected to recognize its investments in subsidiary and associate companies at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

u. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

b) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

c) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

3. Significant accounting judgements, estimates and assumptions

When preparing the financial statements management undertakes a number of judgments, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses.

The actual results are likely to differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

Information about significant judgments, estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are discussed below:

Significant judgements:

(i) Evaluation of indicators for impairment of non-financial assets

The evaluation of applicability of indicators of impairment of non-financial assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised. The recognition of deferred tax assets and reversal thereof is also dependent upon management decision relating to timing of availment of tax holiday benefits available under the Income Tax Act, 1961 which in turn is based on estimates of future taxable profits.

Sources of estimation uncertainty:

(i) Provisions

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from management's estimates.

(ii) Fair valuation of financial instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

(ii) Fair value of investment properties

Particulars	31 March, 2021	31 March, 2020
Fair value	6,243.12	6,234.09

The Company obtains valuations from independent valuer for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the valuer considers information from a variety of sources including current prices in an active market for investment properties of different nature or recent price of similar investment properties in less active market, adjusted to reflect those differences.

All resulting fair value estimates for investment properties are included in level 3.

(iii) Leasing arrangements

The aforementioned investment property is leased to a tenant under long term operating lease agreement with rentals payable monthly. Minimum payments expected to be received under non-cancellable subleases at the balance sheet date:

Particulars	31 March, 2021	31 March, 2020
Not later than one year	310.44	329.53
Later than one year but not later than five years	456.74	153.23

42. Lease related disclosures

The Company has taken factory building, guest house and office building on leases. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability as a borrowings. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right-of-use assets.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

A Total cash outflow for leases for the year ended 31 March, 2021 was

Rs. 91.14 lakhs (31 March, 2020 : Rs. 88.20 lakhs)

B The Company has total commitment for short-term leases of

Rs. Nil as at 31 March, 2021 (31 March, 2020 : Rs. Nil)

C Maturity of lease liabilities

The lease liabilities are secured by the related underlying assets. Future minimum lease payments were as follows:

31 March, 2021	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	108.00	90.39	36.00	—	—	—	234.39
Interest expense	14.61	6.57	1.65	—	—	—	22.83
Net present values	93.39	83.82	34.35	—	—	—	211.56
31 March, 2020	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	91.14	72.00	54.39	—	—	—	217.53
Interest expense	13.74	7.74	2.20	—	—	—	23.68
Net present values	77.40	64.26	52.19	—	—	—	193.85

D Variable lease payments are expensed in the period they are incurred. Expected future cash outflow as at 31 March, 2021 is of Rs.Nil (31 March, 2020 : Rs. Nil)

E Information about extension and termination options

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Factory building	1	2 years	2 years	2 terms with 5 years each.	0	0
Office building	1	3 years	3 years	1 terms with 3 years.	0	0
Guest house	1	3 years	3 years	1 terms with 3 years each.	0	0

**Notes to the Standalone Financial Statements for the year ended 31 March, 2021***(All amounts in rupees lakhs unless otherwise stated)***43 Fair value disclosures****(i) Fair values hierarchy**

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets measured at fair value - recurring fair value measurements

	31 March 2021	31 March 2020	Level	Valuation techniques and key inputs
Investment in equity instruments	232.35	311.42	Level 1	Fair value of equity instruments have been determined using the quoted market price
Investment in mutual funds	1,667.06	549.20	Level 1	Net asset value (NAV) obtained from an active market.
Investment in preference shares	2,776.35	2,790.80	Level 3	Fair value of non-cumulative, non-convertible redeemable preference shares have been determined using discounted cash flow analysis. This method involves the projection of a series of cash flows from the project. To this projected cash flow series, a market-derived discount rate is applied to establish the present value of the income stream associated with the project.
Total	4,675.76	3,651.42		

(iii) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements and sensitivity analysis if a change to such inputs was made keeping other variables constant:

Particulars		Discount rate	31 March 2021	31 March 2020
Investment in preference shares				
IST Steel & Power Ltd	Increase by	0.50%	(55.15)	(55.79)
	Decrease by	0.50%	52.61	58.68
Subham Infra developers Pvt Ltd	Increase by	0.50%	(43.22)	(43.57)
	Decrease by	0.50%	41.19	45.87

Notes to the Standalone Financial Statements for the year ended 31 March, 2021

(All amounts in rupees lakhs unless otherwise stated)

(iv) The following table presents the changes in level 3 items for the year ended 31 March, 2021 and 31 March, 2020:

Particulars	Preference shares
As at 31 March, 2019	2,700.27
Acquisition	—
Gain/ (loss) recognised in statement of profit and loss	90.53
As at 31 March, 2020	2,790.80
Acquisition	—
Gain/ (loss) recognised in statement of profit and loss	(14.45)
As at 31 March, 2021	2,776.35

(v) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

Particulars	Level	31 March 2021		31 March 2020	
		Carrying value	Fair value	Carrying Value	Fair value
Financial assets					
Investments	Level 3	7,188.19	7,326.01	6,616.04	6,750.51
Loans	Level 3	45.56	45.56	43.37	43.37
Trade receivable	Level 3	577.13	577.13	560.84	560.84
Other financial assets	Level 3	47.87	47.87	426.54	426.54
Total financial assets		7,858.75	7,996.56	7,646.79	7,781.26
Trade payables	Level 3	118.30	118.30	21.50	21.50
Other financial liabilities	Level 3	399.68	399.68	503.01	503.01
Total financial liabilities		517.98	517.98	524.51	524.51

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Other non-current financial assets bear a market interest rate and hence their carrying amounts are also considered a reasonable approximation of their fair values.

44 Financial risk management

i) Financial instruments by category

Particulars	31 March 2021			31 March 2020		
	FVTPL	FVOCI	Amortised Cost	FVTPL	FVOCI	Amortised Cost

*Investment in equity instrument of subsidiary and associate have been accounted at cost in accordance with Ind AS 27, not presented here.

Notes to the Standalone Financial Statements for the year ended 31 March, 2021

(All amounts in rupees lakhs unless otherwise stated)

ii) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the company. The company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets. - cash and cash equivalents, - trade receivables, - loans & receivables carried at amortised cost, and- deposits with banks

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk –

Credit rating	Particulars	31 March 2021	31 March 2020
A: Low	Loans	45.56	43.37
	Investments	7,188.19	6,616.04
	Other financial assets	11.01	385.80
	Cash and cash equivalents	36.86	40.74
	Trade receivables	577.13	560.84

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

Company's trade receivables are considered of high quality and accordingly no life time expected credit losses are recognised on such receivables.

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes advances to employees. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Notes to the Standalone Financial Statements for the year ended 31 March, 2021

(All amounts in rupees lakhs unless otherwise stated)

Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

31 March 2021	Less than 1 year	1-5 year	More than 5 years	Total
Trade payable	118.30	—	—	118.30
Other financial liabilities	399.68	—	—	399.68
Total	517.98	—	—	517.98
31 March 2020	Less than 1 year	1-5 year	More than 5 years	Total
Trade payable	21.50	—	—	21.50
Other financial liabilities	503.01	—	—	503.01
Total	524.51	—	—	524.51

C) Market risk

Price risk

Exposure

The Company's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds and equity investment, the Company diversifies its portfolio of assets.

Sensitivity

Below is the sensitivity of profit or loss and equity to changes in fair value of investments, assuming no change in other variables:

Particulars	31 March, 2021	31 March, 2020
Price sensitivity		
Price increase by 5%	94.97	43.03
Price decrease by 5%	(94.97)	(43.03)

45 Capital management

The Company's capital management objectives are

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the company's capital requirements in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the company's various classes of debt. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31 March, 2021	31 March, 2020
Total borrowings	—	—
Less : cash and cash equivalent	36.86	40.84
Net debt	—	—
Total equity	19,769.13	18,947.70
Net debt to equity ratio	—	—

**Notes to the Standalone Financial Statements for the year ended 31 March, 2021***(All amounts in rupees lakhs unless otherwise stated)***46 Segment information**

The Company's primary business segment is reflected based on principal business activities carried on by the Company i.e. precision engineering components / assemblies, which as per Ind AS 108 on "Segment Reporting" as specified under Section 133 of Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) is considered to be the only operating segment. The Company is primarily operating in India which is considered as a single geographical segment.

47 Details of Corporate Social Responsibility (CSR) expenditure is as follows:

As per Section 135 of the Companies Act, 2013, the Company needs to spend at least 2% of its average net profit for the immediately preceding three years on Corporate Social Responsibility (CSR) activities. The area of activities are defined in the Schedule VII of the Companies Act, 2013. In compliance with the requirement of the Companies Act, 2013 the Company had adopted the CSR policy and a CSR committee has been formed.

- i) Gross amount required to be spent by the Company for the year Rs.18.13 Lakhs (March 31, 2020: Rs.22.18 lakhs)
- ii) Amount spent during the year

Purpose for which expenditure incurred	For the year ended 31 March 2021	For the year ended 31 March 2020
- Construction/acquisitions of any asset	—	—
- On purpose other than above mentioned	18.13	—
Amount transferred to unspent account	—	—
Amount yet to be spent	—	22.18
Total	18.13	22.18

- iii) Unspent Amount

48 Employee benefit obligations

Particulars	As at 31 March 2021		As at 31 March 2020	
	Current	Non-current	Current	Non-current
Gratuity	67.62	72.35	66.04	76.01
Compensated absences	30.20	37.16	27.36	35.11
Total	97.82	109.51	93.40	111.11

A Gratuity

Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The following tables summarize the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the balance sheet for the respective plans.

(i) Amount recognised in the statement of profit and loss is as under:

Description	For the year ended 31 March 2021	For the year ended 31 March 2020
Current service cost	9.44	9.83
Net interest cost	9.60	11.52
Actuarial loss/(gain) recognised during the year	(10.42)	(3.58)
Return on plan assets	—	—
Amount recognised in the statement of profit and loss	8.62	17.77

(ii) Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	As at 31 March 2021	As at 31 March 2020
Present value of defined benefit obligation as at the start of the year	142.06	151.79
Current service cost	9.44	9.83
Interest cost	9.60	11.52
Actuarial loss/(gain) on obligation	(10.42)	(3.58)
Benefits paid	(10.72)	(27.50)
Present value of defined benefit obligation as at the end of the year	139.96	142.06

(iii) Breakup of actuarial (gain)/loss:

Description	For the year ended 31 March 2021	For the year ended 31 March 2020
Actuarial (gain)/loss from change in demographic assumption	—	(0.09)
Actuarial (gain)/loss from change in financial assumption	0.30	4.25
Actuarial (gain)/loss from experience adjustment	(10.72)	(7.74)
Total actuarial (gain)/loss	(10.42)	(3.58)

IST LIMITED

Notes to the Standalone Financial Statements for the year ended 31 March, 2021

(All amounts in rupees lakhs unless otherwise stated)

(iv) Actuarial assumptions

Description	As at 31 March 2021	As at 31 March 2020
Discount rate	6.70%	6.76%
Future Basic salary increase	6.00%	6.00%
Employee turnover		
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Retirement age	58	58

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(v) Sensitivity analysis for gratuity liability

Description	For the year ended 31 March 2021	For the year ended 31 March 2020
Impact of the change in discount rate		
Present value of obligation at the end of the year	139.96	142.06
- Impact due to increase of 0.50 %	(2.47)	(2.65)
- Impact due to decrease of 0.50 %	2.65	2.84
Impact of the change in salary increase		
Present value of obligation at the end of the year	139.96	142.06
- Impact due to increase of 0.50 %	2.66	2.85
- Impact due to decrease of 0.50 %	(2.50)	(2.68)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

(vi) Maturity profile of defined benefit obligation

Description	As at 31 March 2021	As at 31 March 2020
Within next 12 months	67.61	66.04
Between 1-5 years	35.77	33.58
More than 5 years	36.58	42.43

Notes to the Standalone Financial Statements for the year ended 31 March, 2021

(All amounts in rupees lakhs unless otherwise stated)

B Compensated absences

The earned leave liability arises on retirement, withdrawal, resignation and death-in-service of an employee. The actuary has used projected unit cost (PUC) actuarial method to assess the plan's liabilities of employees.

(i) Amount recognised in the statement of profit and loss is as under:

Description	Earned Leave	
	For the year ended 31 March 2021	For the year ended 31 March 2020
Current service cost	9.50	8.23
Net interest cost	4.22	5.07
Actuarial loss/(gain) recognised during the year	4.23	3.02
Amount recognised in the statement of profit and loss	17.95	16.32

(ii) Movement in net liability

Description	Earned Leave	
	As at 31 March 2021	As at 31 March 2020
Opening net liability	62.47	66.81
Expenses as above	17.95	16.32
Benefits paid	(13.05)	(20.66)
Closing net liability	67.37	62.47

(iii) Actuarial assumptions

	As at 31 March 2021	As at 31 March 2020
Discount rate	6.70%	6.76%
Future Basic salary increase	6.00%	6.00%

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on long term basis.

C Provident fund

The Company makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company has recognised Rs.22.12 lakhs, (31 March 2020: Rs.26.29 lakhs) for Provident Fund contributions and Rs.7.45 lakhs, (31 March 2020 Rs.8.52 lakhs) for Employee State Insurance Scheme contributions in the Statement of Profit and Loss.

49 Contingent liabilities and commitments

	As at 31 March 2021	As at 31 March 2020
a) Contingent liabilities	—	—
b) Commitments		
Gurantee given by the bank	104.12	119.58
Capital contracts to be executed	97.00	—

Notes to the Standalone Financial Statements for the year ended 31 March, 2021

(All amounts in rupees lakhs unless otherwise stated)

50 Covid-19

On account of COVID-19 pandemic, nationwide lockdown was imposed by Government of India effective March 24, 2020 which extended for a couple of months in varied parts of the country and in varied forms. The outbreak of Coronavirus (COVID -19) pandemic globally and in India has caused significant disturbance and slowdown of economic activity. Consequent to these uncertainties caused due to continuation of pandemic, the company has considered the possible effects that may result from the pandemic relating to Covid 19 in the preparation of these results and has done a detailed assessment for carrying amount of financial and non-financial assets and does not anticipate any impairment to these assets. Also, the management does not see any risks in the company ability to continue as a going concern and meeting its liabilities as and when they fall due. The situation though is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future spread of COVID-19 and due to which the company will continue to closely monitor any material changes to future economic conditions, if any.

51 Authorisation of standalone financial statements

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF IST LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of IST Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as the "Group") and its associate company, which comprise the consolidated Balance Sheet as at March 31, 2021, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate company as at March 31, 2021, and its consolidated profit including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group and its associate company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No. 58 of the consolidated financial statements, which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Group's financial performance as assessed by the management.

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Investments as on 31st March, 2021 <i>(Refer to Note no.8 and 15 to the notes to the consolidated financial statements)</i>	
<p>This is the largest asset on the consolidated balance sheet. Our audit effort has increased in this area and in particular, there is significant focus on considering whether the underlying investments are valued appropriately.</p> <p>These included investments in quoted equity shares, mutual funds, preference shares, debentures and tax free bonds. Investments also include investment in associate company.</p> <p>The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement.</p> <p>Accordingly, investment was determined to be a key audit matter in our audit of consolidated financial statements.</p>	<p>Our audit procedure included the following:</p> <ul style="list-style-type: none"> Testing whether associated controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs. Assessing the availability of quoted prices in liquid markets. Performing our own independent price checks using external quotes for liquid positions and to identify any potential impairment. We also assessed whether the Group's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements.

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditors' report thereon. The Holding Company's Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the Holding Company's Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group and its associate company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate company are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate company are responsible for assessing the ability of the Group and of its associate company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate company are responsible for overseeing the financial reporting process of the Group and of its associate company.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company, its subsidiary company and its associate company, which are

companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associate company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/financial information of the subsidiary company, whose financial statements/financial information reflect total assets of Rs.76,485.73 lakhs as at March 31, 2021, total revenues of Rs.13,794.07 lakhs and net cash outflows amounting to Rs.139.55 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit after tax of Rs.55.05 lakhs for the year ended March 31, 2021, as considered in the consolidated financial statements, in respect of an associate company, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by the other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary company and associate company and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary company and associate company, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary company and associate company, as noted in the 'other matters' paragraph we report, to the extent applicable, that:

IST LIMITED

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and associate company, which are companies incorporated in India, none of the directors of the Group and its associate company is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of internal financial controls with reference to the financial statements of the Holding Company, its subsidiary company and associate company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- g) As required by Section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of the subsidiary company and associate company, we report that the Holding Company, subsidiary company and associate company covered under the Act paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors') Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group and its associate.
 - ii. The Group and its associate company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company and associate company incorporated in India.

Annexure 'A' To the Independent Auditors' Report of even date on the Consolidated Financial Statement of IST Limited

(Referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements section of our report of even date to the Members of IST Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of IST Limited (hereinafter referred to as "the Company" or the "Holding Company") and its subsidiary company and its associate company, which are companies incorporated in India, as of that date.

In our opinion, the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls were operating effectively as at March 31, 2021, based on "the internal controls with reference to the financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to the financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records,

and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company and associate company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the Financial Statements

A Company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Place of Signature: New Delhi

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial controls with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the financial statements in so far as it relates to subsidiary company and associate company, which are companies incorporated in India, is based solely on the corresponding reports of the other auditors. Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statements as at 31st March, 2021

1. Group information and statement of compliance with Indian Accounting Standards (Ind AS)

The consolidated financial statements comprise financial statements of IST Limited (“the Company” or “the Holding Company”) and its subsidiary (collectively referred to as the ‘the Group’) for the year ended 31 March 2021.

IST Limited is a public limited company, domiciled in India and having its registered office at at Dharuhera Industrial Complex, Delhi-Jaipur Highway no. 8, Kapriwas, Dharuhera, Rewari 123106, was incorporated under the provisions of Companies Act, 1956. The Group and its associate company are engaged in the manufacturing of precision engineering components/ assemblies, SEZ Developers and trading activities. Further, details about the business operations are provided in Note No.44- Segment Information.

The consolidated financial statements of the Group have been prepared to comply in all material respects with accounting principles generally accepted in India, including Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of the Companies Act, 2013 (the “Act”) and other relevant provisions of the Act.

2. Basis of preparation and significant accounting policies

a. Basis of preparation

The consolidated financial statements have been prepared on accrual and going concern basis under historical cost convention except for certain financial instruments and plan assets, which are measured at fair values. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements.

The significant accounting policies and measurement bases have been summarised below.

Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and as per terms of agreements wherever applicable. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

Basis of consolidation

Subsidiary company is an entity over which the holding company has control. The holding company controls subsidiary when the holding company is exposed to, or has rights to, variable returns from its involvement with its subsidiary and has the ability to affect those returns through its power to direct the relevant activities of the subsidiary. Subsidiary is fully consolidated from the date on which control is transferred to the holding company and it is deconsolidated from the date when control ceases. Profit/(loss) and OCI ('OCI') of subsidiary acquired or disposed of during the period are recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable. The consolidated subsidiary has a consistent reporting date of 31 March 2021.

The Group combines the financial statements of the holding company and its subsidiary line by line adding together like items of assets, liabilities, other equity, income and expenses. Inter-company transactions, balances and unrealized gains on transactions between Group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary company has been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Profit/(loss) and each component of OCI are attributed to the equity holders of the holding company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. The Group attributes total comprehensive income or loss of the subsidiary between the owners of the holding company and the non-controlling interests, if any, based on their respective ownership interests.

Notes to the Consolidated Financial Statements as at 31st March, 2021

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

Investment in associate has been accounted under the Equity Method as per Ind AS 28- Investment in Associates.

b. Revenue recognition

Revenue arises mainly from the sale of manufactured and traded goods.

To determine whether to recognise revenue, the Group follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Revenue is measured at fair value of consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and service tax, etc.

Revenue is recognised either at a point in time or over time, when (or as) the Group satisfies performance obligations by transferring the promised goods or services to its customers.

Sale of goods

Revenue from sale of goods is recognised when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods.

Rendering of services

Revenue from services is recognised as and when the services are rendered and on the basis of contractual terms with the parties.

Interest

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend

Dividend are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Rental Income

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs.

In all the leases escalation is less than inflation and hence no Straight lining has been done.

Unbilled receivables

Unbilled receivables represent:

- Balance on account of straight lining of rental income over the rent-free period.

**Notes to the Consolidated Financial Statements as at 31st March, 2021****c. Inventories**

Finished goods, works-in-process, raw material, stores, spares and components are valued at lower of cost and net realisable value. Cost of inventory has been arrived at by using the weighted average cost formula. Cost of inventory comprises all costs of purchase duties, taxes (other than those subsequent recoverable from tax authorities) & all other cost incurred to bring the inventories to their present condition & location. Tools and instruments are valued at cost less depletion in value. Stock of scrap is valued at estimated realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

d. Income taxes

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Current tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (in OCI or equity depending upon the treatment of underlying item).

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the respective Group company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

e. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Foreign currency transactions

The financial statements are presented in Indian Rupee ('INR' or 'Rs.') which is also the functional currency of the Group.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income/expenses, as the case maybe.

Notes to the Consolidated Financial Statements as at 31st March, 2021

g. Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets

Subsequent measurement

i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Fair value through OCI**- A financial assets measured at FVOCI if both of the following conditions are met:

- The Group's business model objectives for managing the financial assets is achieved both by collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial assets given raise in specified dates to cash flows that are solely payments.

iii. **Fair value through profit or loss** – Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Further, the Group, through an irrevocable election at initial recognition, has measured certain investments in equity instruments at FVTOCI. The Group has made such election on an instrument by instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in OCI. However, the Group recognizes dividend income from such instruments in the Consolidated Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime

**Notes to the Consolidated Financial Statements as at 31st March, 2021**

expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities*Subsequent measurement*

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

h. Fair value of financial instruments

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

i. Property, plant and equipment ('PPE')*Recognition and initial measurement*

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, taxes (non-recoverable) borrowing cost if capitalisation criteria are met and other expenses, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with

Notes to the Consolidated Financial Statements as at 31st March, 2021

the item will flow to the Group and definition of asset is met. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.

Subsequent measurement (depreciation and useful lives)

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

De-recognition of PPE

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

j. Investment properties

Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set-out below) prescribed in Schedule II to the Companies Act:

Assets category	Useful life (in years)
Building and related equipment	60

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition of Investment properties

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

k. Intangible assets

Recognition and initial measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Subsequent measurement (amortised and useful lives)

Depreciation on intangible assets has been provided on the straight-line method on useful life of 6 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

**Notes to the Consolidated Financial Statements as at 31st March, 2021***De-recognition*

An item of intangible assets and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

l. Capital work-in progress

Cost of material consumed and erection charges thereon along with other direct cost incurred by the Group for the projects are shown as capital work-in-progress until capitalisation. Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance / receipt of claim.

m. Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For this purpose, assets are Grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Group of assets (cash generating units). If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

n. Assets Held for Sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

o. Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption.

p. Provisions, contingent liabilities and contingent assets

Provisions are recognised when present obligations as a result of a past event will probably lead to an outflow of economic resources and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. A present obligation arises when there is a presence of a legal or constructive commitment that has resulted from past events, for example, legal disputes or onerous contracts. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Notes to the Consolidated Financial Statements as at 31st March, 2021

Any reimbursement that the Group can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

q. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19- Employee Benefits.

Defined benefit plans

Gratuity

The Group operates one defined benefit plan for its employees, viz. gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method. Actuarial gain and loss for the defined benefit plan is recognized in full in the period in which they occur in other comprehensive income.

Other long-term benefits

Accumulated leave expected to be carried forward beyond twelve months, is treated as long term employee benefit. Such long term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end. Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short term employee benefit.

Liability under continuity linked key resource and deferred salary schemes is provided for on actuarial valuation basis, which is done as per the projected unit credit method at the end of each financial period.

Defined contribution plans

Provident Fund

The Group makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Short-term employee benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

r. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**Notes to the Consolidated Financial Statements as at 31st March, 2021****s. Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The chief operating decision maker is responsible for allocating resources and assessing performance of the operating segments of the Group.

t. Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a) Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

b) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

c) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

3. Significant accounting judgments, estimates and assumptions

When preparing the consolidated financial statements, management undertakes a number of judgments, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses.

The actual results are likely to differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

Notes to the Consolidated Financial Statements as at 31st March, 2021

Information about significant judgments, estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are discussed below:

Significant judgments:

(i) Evaluation of indicators for impairment of non-financial assets

The evaluation of applicability of indicators of impairment of non-financial assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised. The recognition of deferred tax assets and reversal thereof is also dependent upon management decision relating to timing of Availment of tax holiday benefits available under the Income Tax Act, 1961 which in turn is based on estimates of future taxable profits.

Sources of estimation uncertainty:

(i) Provisions

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from management's estimates.

(ii) Fair valuation of financial instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Particulars	31 March, 2021	31 March, 2020
Not later than one year	8,770.99	9,356.14
Later than one year but not later than five years	34,327.11	34,929.11
Later than five years	—	—

Fair value hierarchy and valuation technique

The Group has obtains valuations from independent valuer for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the valuer considers information from a variety of sources including current prices in an active market for investment properties of different nature or recent price of similar investment properties in less active market, adjusted to reflect those differences.

All resulting fair value estimates for investment properties are included in level 3.

Terms and conditions of transactions with the Related Parties

All related party transactions entered during the year were in ordinary course of the business and are on arm's length basis.

**Notes to the Consolidated Financial Statements as at 31st March, 2021***(All amounts in rupees lakhs unless otherwise stated)***46 Segment information****Description of segments and principal activities**

The Chief Operating Decision Maker (“CODM”) evaluates the Group’s performance and allocates resources based on an analysis of various performance indicators by reportable segments. The Group’s reportable segments are as follows:

- (a) Manufacturing segment, which engaged in manufacturing of high precision engineering components/assemblies.
- (b) SEZ segment, which engaged as SEZ Developer.

Year ended 31 March, 2021

Particulars	Manufacturing Segment	SEZ Segment	Total Segments	Adjustment and eliminations	Consolidated
Revenue					
Revenue from operations	2,976.63	10,675.32	13,651.95	—	13,651.95
Other income	941.15	3,118.75	4,059.90	—	4,059.90
Total revenue	3,917.78	13,794.07	17,711.85	—	17,711.85
Expenses					
Depreciation and amortisation expense	340.51	183.93	524.44	—	524.44
Finance costs	22.02	571.07	593.09	—	593.09
Income tax expense	155.76	3,547.90	3,703.66	—	3,703.66
Share of net profit of associate accounted for using equity method	55.05	—	55.05	—	55.05
Segment profit/(loss)	868.68	8,704.63	9,573.31	—	9,573.31
Segment Assets	21,002.99	76,485.73	97,488.72	—	97,488.72
Segment Liabilities	844.02	4,285.44	5,129.46	—	5,129.46

Year ended 31 March, 2020

Revenue					
Revenue from operations	1,755.07	10,070.31	11,825.38	—	11,825.38
Other income	1,093.22	2,323.08	3,416.30	—	3,416.30
Total revenue	2,848.29	12,393.39	15,241.68	—	15,241.68
Expenses					
Depreciation and amortisation expense	339.94	166.32	506.26	—	506.26
Finance costs	59.58	333.78	393.36	—	393.36
Income tax expense	98.62	2,712.48	2,811.09	—	2,811.09
Share of net profit of associate accounted for using equity method	45.11	—	45.11	—	45.11
Segment profit/(loss)	544.58	7,492.69	8,037.27	—	8,037.27
Segment Assets	20,009.87	66,048.75	86,058.63	—	86,058.63
Segment Liabilities	810.07	4,928.06	5,738.13	—	5,738.13

Notes:

- (i) Inter-segment eliminations upon consolidation are reflected in the “adjustments and eliminations” column.
- (ii) The Group has two reportable segments as per the requirements of Ind AS 108 – “Operating Segments”. One is manufacturing segment and other is SEZ segment. Majority of the revenue from external customers of Rs. 5293.74 lakhs (31 March 2020: 5776.80 lakhs) of SEZ segment is derived from three external customers.

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

47 Lease related disclosures

The Group has leases for factory building, guest house, office space and office building. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability as a borrowings. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Group classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

For leases previously classified as finance leases the entity recognised the carrying amount of the lease asset and lease liability immediately before transition as the carrying amount of the right of use asset and the lease liability at the date of initial application. The measurement principles of Ind-AS 116 are only applied after that date.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublease the asset to another party, the right-of-use asset can only be used by the Group. Some leases contain an option to extend the lease for a further term. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

A Total cash outflow for leases for the year ended 31 March 2021 was Rs.160.14 lakhs (31 March, 2020 : Rs. 157.20 lakhs).

B The Group has total commitment for short-term leases of Rs. Nil as at 31 March 2021 (31 March, 2020 : Rs. Nil).

C Maturity of lease liabilities

The lease liabilities are secured by the related underlying assets. Future minimum lease payments were as follows:

31 March, 2021	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	143.60	136.62	86.17	54.52	66.78	77.77	565.47
Interest expense	39.01	27.54	18.68	12.68	7.62	9.30	114.83
Net present values	104.59	109.08	67.50	41.84	59.16	68.47	450.64

31 March, 2020	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	132.52	107.60	100.62	50.16	54.52	133.11	578.53
Interest expense	41.36	32.14	23.17	17.03	12.68	15.69	142.07
Net present values	91.16	75.46	77.46	33.13	41.84	117.42	436.46

D Variable lease payments are expensed in the period they are incurred. Expected future cash outflow as at 31 March 2020 is of Rs.Nil

E Information about extension and termination options

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Factory building	1	2 years	2 years	2 terms with 5 years each.	0	0
Office premises	1	3 years	3 years	1 terms with 3 years each.	0	0

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Guest house	1	3 years	3 years	1 terms with 3 years each	0	0
Guest house (Gurgaon Infospace limited)	1	1 years	4 years	2 terms with 2 years each	0	At the option of lessee by giving 3 months notice
Office space (Gurgaon Infospace limited)	1	3 years	3 years	1 terms with 3 years each	0	At the option of lessee by giving 3 months notice

48 Fair value disclosures

(i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets measured at fair value - recurring fair value measurements

Particulars	31 March 2021	31 March 2020	Level	Valuation techniques and key inputs
Financial assets:				
Investment in equity instruments	5,977.36	3,949.83	Level 1	Fair value of equity instruments have been determined using the quoted market price.
Investment in mutual funds	17,468.04	12,230.40	Level 1	Net asset value (NAV) obtained from an active market.
Investment in preference shares	2,829.17	2,846.25	Level 3	Fair value of non-cumulative, non-convertible redeemable preference share have been determined using, discounted cash flow analysis. This method involves the projection of a series of cash flow from the project. To this projected cash flow series, a market-derived discounted rate is applied to establish the present value of the income stream associated with the project.
Total	26,274.57	19,026.48		

(iii) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements and sensitivity analysis if a change to such inputs was made keeping other variables constant:

Particulars		Discount rate	31 March 2021	31 March 2020
Investment in preference shares				
IST Steel & Power Ltd.	Increase by	0.50%	(55.15)	(55.65)
	Decrease by	0.50%	52.61	58.69
Subham Infra developers Pvt. Ltd.	Increase by	0.50%	(43.22)	(49.30)
	Decrease by	0.50%	41.19	52.62
IST Softech Pvt. Ltd.	Increase by	0.50%	(2.12)	(2.35)
	Decrease by	0.50%	2.25	2.50

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

- (iv) The following table presents the changes in level 3 items for the year ended 31 March, 2021 and 31 March, 2020:

Particulars	Preference shares
As at 1 April, 2019	3,159.32
Less: Investment sold during the year	(408.04)
Gain/(loss) recognized in statement of profit and loss	94.97
As at 31 March, 2020	2,846.25
Less:- Less: Investment sold during the year	—
Gain/(loss) recognized in statement of profit and loss	(17.08)
As at 31 March, 2021	2,829.17

- (v) Fair value of instruments measured at amortized cost

Fair value of instruments measured at amortized cost for which fair value is disclosed is as follows:

Particulars	Level	31 March 2021		31 March 2020	
		Carrying value	Fair value	Carrying value	Fair value
Financial assets					
Investments	Level 3	33,158.73	33,296.55	29,128.52	29,262.99
Loans	Level 3	987.27	987.27	864.24	864.24
Trade receivable	Level 3	2,314.62	2,314.62	1,926.69	1,926.69
Other financial assets	Level 3	709.46	709.46	871.63	871.63
Total financial assets		37,170.08	37,307.90	32,791.09	32,925.56
Borrowings	Level 3	21.63	21.63	-	-
Trade payables	Level 3	118.30	118.30	21.50	21.50
Other financial liabilities	Level 3	3,078.80	3,078.80	3,737.05	3,737.05
Total financial liabilities		3,218.73	3,218.73	3,758.55	3,758.55

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Other non-current financial assets and non-current borrowings bear a market interest rate and hence their carrying amounts are also considered a reasonable approximation of their fair values.

49 Financial risk management

**Notes to the Consolidated Financial Statements as at 31st March, 2021***(All amounts in rupees lakhs unless otherwise stated)***ii) Risk Management**

Activities expose it to market risk, liquidity risk and credit risk. Board of directors of respective entities has overall responsibility for the establishment and oversight of risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the group. The group is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The group's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets. - cash and cash equivalents, - trade receivables, - loans & receivables carried at amortized cost, and- deposits with banks

a) Credit risk management

The Group assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the group, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk –

Credit rating	Particulars	31 March 2021	31 March 2020
A: Low	Loans	987.27	864.25
	Investments	59,433.32	48,155.04
	Other financial assets	548.44	567.19
	Cash and cash equivalents	161.02	304.45
	Trade receivables	2,314.62	1,942.98

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

Group's trade receivables are considered of high quality and accordingly no life time expected credit losses are recognized on such receivables.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes advances to employees. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates. In addition, the Group's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

31 March 2021	Less than 1 year	1-5 year	More than 5 years	Total
Borrowings including interest	21.63	—	—	21.63
Trade payable	118.30	—	—	118.30
Other financial liabilities	635.63	1,386.09	2,453.51	4,475.22
Total	775.56	1,386.09	2,453.51	4,615.16
31 March 2020	Less than 1 year	1-5 year	More than 5 years	Total
Borrowings including interest	—	—	—	—

Total	911.30	1,320.08	3,131.43	5,362.80

C) Market risk

a) Interest rate risk

The Group is not exposed to changes in market interest rates as all of the borrowings are at fixed rate of interest. Also the Group's fixed deposits are carried at amortized cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

b) Price risk

Exposure

The Group's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds and equity investment, the Group diversifies its portfolio of assets.

Sensitivity

Below is the sensitivity of profit or loss and equity to changes in fair value of investments, assuming no change in other variables:

Particulars	31 March, 2021	31 March, 2020
Price sensitivity		
Price increase by 5%	1,174.91	811.79
Price decrease by 5%	(1,174.91)	(811.79)

50 Capital management

The Group's capital management objectives are

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31 March, 2021	31 March, 2020
Total borrowings	21.63	—
Less : Cash and cash equivalents	161.02	304.45
Net debt	—	—
Total equity	91,774.58	79,737.02
Net debt to equity ratio	—	—

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

51 Details of Corporate Social Responsibility (CSR) expenditure is as follows:

As per Section 135 of the Companies Act, 2013, the Company needs to spend at least 2% of its average net profit for the immediately preceding three years on Corporate Social Responsibility (CSR) activities. The area of activities are defined in the Schedule VII of the Companies Act, 2013. In compliance with the requirement of the Companies Act, 2013 the Company had adopted the CSR policy and a CSR committee has been formed.

- i) Gross amount required to be spent by the company for the year is Rs. 221.64 Lakhs (31 March 2020: Rs. 208.11 Lakhs)
- ii) Amount spent during the year

Purpose for which expenditure incurred	For the year ended 31 March 2021	For the year ended 31 March 2020
- Construction/acquisitions of any asset	—	—
- On purpose other than above mentioned	250.00	400.00
Amount transferred to unspent account	—	—
Amount yet to be spent	—	208.11
Total	250.00	608.11

iii) Unspent Amount

Particulars	As at 31 March 2021	As at 31 March 2020
Opening Balance	466.17	658.06
Amount deposited in specified fund	—	—
Amount required to be spent during the year	221.64	208.11
Amount spent during the year	250.00	400.00
Closing balance	437.81	466.17

52 Employee benefit obligations

Particulars	As at 31 March 2021		As at 31 March 2020	
	Current	Non-current	Current	Non-current
Gratuity	87.97	86.95	88.65	88.52
Compensated absences	37.88	45.39	35.95	43.14
Total	125.85	132.34	124.60	131.66

A Gratuity

Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The following tables summarize the components of net benefit expense recognized in the consolidated statement of profit and loss and amounts recognized in the consolidated balance sheet for the respective plans.

(i) Amount recognized in the consolidated statement of profit and loss is as under:

Description	For the year ended 31 March 2021	For the year ended 31 March 2020
Current service cost	12.72	13.39
Net interest cost	11.99	13.94
Actuarial loss/(gain) recognized during the year	(16.26)	(6.01)
Return on plan assets	—	—
Amount recognized in the consolidated statement of profit and loss	8.45	21.32

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

(ii) Movement in the present value of defined benefit obligation recognized in the consolidated balance sheet is as under:

Description	As at 31 March, 2021	As at 31 March, 2020
Present value of defined benefit obligation as at the start of the year	177.19	183.37
Current service cost	12.72	13.39
Interest cost	11.99	13.94
Actuarial loss/(gain) on obligation	(16.26)	(6.01)
Benefits paid	(10.72)	(27.50)
Present value of defined benefit obligation as at the end of the year	174.92	177.19

(iii) Breakup of actuarial (gain)/loss:

Description	For the year ended 31 March 2021	For the year ended 31 March 2020
Actuarial (gain)/loss from change in demographic assumption	—	—
Actuarial (gain)/loss from change in financial assumption	(5.54)	1.82
Actuarial (gain)/loss from experience adjustment	(10.72)	(7.74)
Total actuarial (gain)/loss	(16.26)	(5.92)

(iv) Actuarial assumptions

Description	As at 31 March, 2021	As at 31 March, 2020
Discount rate	6.70%-6.80%	6.76%-6.80%
Future Basic salary increase	6.00%	6.00%
Employee turnover		
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Retirement age	58	58

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(v) Sensitivity analysis for gratuity liability

Description	For the year ended 31 March 2021	For the year ended 31 March 2020
Impact of the change in discount rate		
- Impact due to increase of 0.50 %	(3.56)	(3.62)
- Impact due to decrease of 0.50 %	3.85	3.91
Impact of the change in salary increase		
- Impact due to increase of 0.50 %	3.86	3.93
- Impact due to decrease of 0.50 %	(3.61)	(3.67)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognized in the consolidated balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

IST LIMITED

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

(vi) Maturity profile of defined benefit obligation

Description	As at 31 March, 2021	As at 31 March, 2020
Within next 12 months	87.96	88.65
Between 1-5 years	36.96	34.63
More than 5 years	49.99	53.90

B Compensated absences

The earned leave liability arises on retirement, withdrawal, resignation and death-in-service of an employee. The actuary has used projected unit cost (PUC) actuarial method to assess the plan's liabilities of employees.

(i) Amount recognized in the consolidated statement of profit and loss is as under:

Description	Earned leave	
	For the year ended 31 March 2021	For the year ended 31 March 2020
Current service cost	11.18	10.23
Net interest cost	5.35	6.23
Actuarial loss/(gain) recognized during the year	1.45	1.84
Amount recognized in the consolidated statement of profit and loss	17.98	18.30

(ii) Change in present value of the defined benefit obligation is as follows:

Description	Earned leave	
	As at 31 March 2021	As at 31 March 2020
Present value of obligation as at the start of the year	83.43	82.01
Current service cost	11.18	10.23
Net interest cost	5.35	6.23
Actuarial loss/(gain) recognized during the year	1.45	1.84
Benefits paid	(13.79)	(21.22)
Present value of obligation at the year end	87.61	79.10

(iii) Actuarial assumptions

Description	As at 31 March 2021	As at 31 March 2020
Discount rate	6.70%	6.76%-6.80%
Future basic salary increase	6.00%	6.00%

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on long term basis.

Notes to the Consolidated Financial Statements as at 31st March, 2021

(All amounts in rupees lakhs unless otherwise stated)

C Provident fund

The Group makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The Group recognized Rs.22.12 lakhs, (31 March 2020: Rs.26.29 lakhs) for Provident Fund contributions and Rs.7.45 lakhs, (31 March 2020 Rs.8.52 lakhs) for Employee State Insurance Scheme contributions in the Consolidated Statement of Profit and Loss.

53 Contingent liabilities and commitments

58 Covid-19

On account of COVID-19 pandemic, nationwide lockdown was imposed by Government of India effective March 24, 2020 which extended for a couple of months in varied parts of the country and in varied forms. The outbreak of Coronavirus (COVID -19) pandemic globally and in India has caused significant disturbance and slowdown of economic activity. Consequent to these uncertainties caused due to continuation of pandemic, the Group has considered the possible effects that may result from the pandemic relating to Covid 19 in the preparation of these results and has done a detailed assessment for carrying amount of financial and non-financial assets and does not anticipate any impairment to these assets. Also, the management does not see any risks in the Group's ability to continue as a going concern and meeting its liabilities as and when they fall due. The situation though is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future spread of COVID-19 and due to which the Group will continue to closely monitor any material changes to future economic conditions, if any.

59 Authorisation of consolidated financial statements

These consolidated financial statements for the year ended 31 March 2021 (including comparatives) were approved by the Board of Directors on 30 June, 2021.
